

Great for retired educators, college/grad students pursuing an education or science degree, or substitute teaching staff!

Skate Zone of Rome, located at 2606 Calhoun Rd NE in Rome, GA, is now hiring exciting and dynamic educators to join our groundbreaking STEM education program.

Our educators build, refine, and present STEM (Science, Technology, Engineering, and Mathematics) lesson plans to students ranging from kindergarten to high school. Lessons are conducted in groups of 50 to 250 and utilize state of the art projectors, screens, and sound systems.

Ideal candidates will have all of the following:

- *An outstanding, outgoing and animated personality
- *A passion for education and STEM topics
- *An engaging and entertaining stage presence
- *A creative mind and a strong ability to improvise
- *Excellent written and verbal communication skills
- *Proficiency in Microsoft Office with a special emphasis on PowerPoint
- *A keen talent to relate STEM concepts to everyday life
- *Availability at least 2 days per week Monday-Friday between the hours of 9am and 3pm
- *Must have reliable transportation

THIS IS A PART-TIME, HOURLY POSITION!

Come join our rapidly expanding company and start sparking young minds today!
